

Super Game Asset Content License

Subject to your compliance with the terms and conditions of these Terms, SGA grants you a limited, non-exclusive, non-transferable license to all resource purchased from SGA store, without the right to sublicense, re-sale or distribute contents. You may use, copy, adapt, modify, prepare derivative works based upon all purchased and free asset from SGA Store.

You may use the item in one end product you or one client may sell to end users. You can do this directly or, if you're a freelancer, you can create the end product for one client to distribute to its end users. You can charge your client to produce the single end product.

Distribution of source files is NOT permitted.
